Koosh was originally developed as an easier way to play catch, and this tactile wonder is now a classic toy! There is only ONE ORIGINAL KOOSH, and it's built on decades of quality construction.

Conçu à l'origine pour faciliter le jeu de lancer et d'attraper, le Koosh est aujourd'hui un véritable jouet classique. Cette merveille tactile repose sur des décennies de fabrication de qualité; et il n'existe qu'un seul et unique véritable Koosh.
